

Category Interior use only IP20

Material Polycarbonate

Finish White

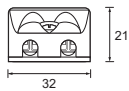

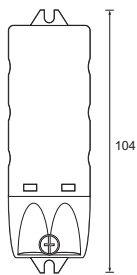

Type Electronic

Voltage 12V AC

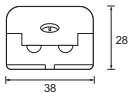

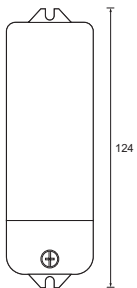

Weight 60W - 60g | 105W - 101g

Compatibility Monopoints | Track Systems [up to 3m]

Dimmable Yes

PS60E-R-60W

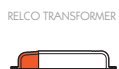

PS105E-R-105W

These minimal sized transformers are for use with our Monopoints and Track Systems up to a length of 3m. Both are Class II, insulated against electric shock following direct and indirect contact. Supplied with terminal cover and cable retainer. Protected against overheating and short circuits, mains voltage spikes and overloads. These transformers are dimmable with leading and trailing edge dimmers.

Notes

For Mode transformers please see spec sheet PS-M.
For Toroidal transformers please see spec sheet PS-T.
