**Technical Description**

Atto T Jack is a miniature, display orientated LED spotlight that comes as standard in white, black and brushed aluminium finishes. It has four site changeable optics for flexible distribution. The narrow spot beam in our 1.1W 102lm module has a peak intensity of 794cd. There is a 360 degree bearing aided rotation and 180 degree constant torque tilt mechanism, both lockable. The luminaire is compatible with our Minipoint system that enables a plug and play setup where luminaires can be simply swapped to suit changing lighting requirements.

**Mechanical & Electrical**

- **Category:** Interior use only IP20
- **Material:** Aluminium | Brass
- **Lockable:** Pan & Tilt
- **Accessories:** Snoots
- **Systems:** Minipoint
- **Weight:** 18g
- **Forward Voltage:** 3.2V Max
- **Current:** 350mA

**Finishes**

- **Finishes:** Brushed Aluminium | Black | White | Brass | Custom*

*All Custom finishes are built and finished to order. These are subject to an extended lead time and MOQ.

**Optical**

- **System Power:** 1.1W
- **Module Output:** 102m*
- **Absolute Output:** 94lm
- **LOR:** 92
- **Gear Type:** Dimmable available

**Photometry shown is correct for 3000K module. Please enquire for 2700K module output.**

**Part Number**

- **Without Minipoint:** 772-AL-XX9516, 772-BW-XX9516, 772-BB-XX9516, 772-FA-XX9516, 772-PA-XX9516, 772-PA-XX9516

*A minipoint is required if the individual code is used then a minipoint must be purchased separately.

For 3000K Substitute XX with 30

For 2700K Substitute XX with 27
**TECHNICAL DESCRIPTION**

Atto T Jack is a miniature, display orientated LED spotlight that comes as standard in white, black and brushed aluminium finishes. It has four site changeable optics for flexible distribution. The medium beam in our 1.1W 102lm module has a peak intensity of 359cd. There is a 360 degree bearing aided rotation and 180 degree constant torque tilt mechanism, both lockable. The luminaire is compatible with our Minipoint system that enables a plug and play setup where luminaires can be simply swapped to suit changing lighting requirements.

**Technical Description**

Atto T Jack is a miniature, display orientated LED spotlight that comes as standard in white, black and brushed aluminium finishes. It has four site changeable optics for flexible distribution. The wide flood beam in our 1.1W 102lm module has a peak intensity of 26cd. There is a 360 degree bearing aided rotation and 180 degree constant torque tilt mechanism, both lockable. The luminaire is compatible with our Minipoint system that enables a plug and play setup where luminaires can be simply swapped to suit changing lighting requirements.
