Pico Long Snoot is a miniature, display orientated LED spotlight that comes as standard in white, black and brushed aluminium finishes. It has three site changeable optics for flexible distribution. The narrow spot beam in our 2.2W 180lm module has a peak intensity of 1570cd. There is a 360 degree bearing aided rotation and 180 degree constant torque tilt mechanism, both lockable. There are 2 mounting methods, from the front using screws or from the rear using the M12 threaded stud.

**Photometry shown is correct for 3000K module. Please enquire for 2700K module output.**
